Continuing Education Hours
Numerous therapy and aquatics-related organizations accept ATRI courses and award credit as appropriate. Specific information will be available at the Symposium. All attendees will receive a Continuing Education Credit/Unit Record Sheet as proof of attendance. You may use the proof of attendance and the course descriptions and biographies from the ATRI website (atri.org) to obtain credit. ATRI always provides attendees with any additional information they need to obtain credit. The following organizations routinely approve the Symposium for continuing education hours:
• American Kinesiotherapy Association (AKTA)
• American Therapeutic Recreation Association (ATRA)
• Aquatic Exercise Association, Inc. (AEA)
• Board of Certification (BOC) for Natl. Athletic Trainers Assn.
• Florida Board of Massage Therapy
• Florida Board of Occupational Therapy
• Florida Physical Therapy Association
• Physical Therapy Board of California
• DC Dept. of Health Regulation & Licensing Administration
• Illinois Department of Financial and Professional Regulation
• Texas Board of Physical Therapy Examiners

Many state Physical Therapy and Occupational Therapy organizations require pre-approval of conference courses. If you are in need of PT or OT CEU approval, please check with your state PT or OT organization to determine their requirements. Every state is different and ATRI does not automatically obtain PT or OT continuing education pre-approval for all states because the cost is prohibitive. Each therapist must follow the guidelines given by his/her state PT or OT organization for approval. Please email Angie Fischer with any questions – afischer@atri.org.

Unbeatable Exhibit Hall/Gathering Place
Our exhibitors are ready to show you the latest in useful, innovative products to increase your results and boost your profits. You’ll find health and medical products, books, CDs and DVDs, plus a spectacular assortment of the latest fitness apparel. Test new products. Take advantage of Symposium discounts! The ATRI Exhibit Hall is called “The Gathering Place” so everyone knows where to meet, visit and learn during exhibit times. There will be round tables to facilitate networking, enjoy meals, and we’ll also have educational and entertaining programs interspersed during the exhibit time.

Pool Equipment Sales
The Symposium is your place to buy pool equipment! Demonstration equipment will be available to buy at discounted prices! Take advantage of these special bargains!

Choosing Your Symposium Courses
Choose your Symposium courses by completing the Course Selection Sheets on pages 12-15. Cross-reference the course descriptions online at atri.org as you make your choices. Begin by selecting all of your first choices, then make second choices in case courses fill. If it’s important that you get into a particular course, your first choice schedule might include pool participation for that course, while your second choice could be the same course, but observing and taking notes from the deck. Your days at the Symposium will be very full. Balance your schedule to allow time for meals, networking and rest.

Confirmation
You will receive your confirmation via e-mail (be sure atri.org is accepted by your server) once your registration and payment have been processed. Let us know if you don’t have your confirmation within two weeks after your registration. Please Note: Your Symposium Registration must be paid in full before your registration will be processed.

Make your Room Reservations Now!
Be sure to book your room at the Sanibel Harbour Marriott Resort & Spa IMMEDIATELY to secure ATRI room rates! The Resort provides you with a beautiful, relaxing location at the center of Symposium courses and activities. Book EARLY! Call 1-800-767-7777 by June 15th! Room rate is not guaranteed after that date and availability is not guaranteed after our block of rooms is filled!

Looking for a Roommate?
Would you like to share the cost of your overnight room with another attendee? We will provide a list of those who would like to share a room. If you would like to be on and receive this list, complete the roommate information on the registration form. Note that we are not responsible for finding you a roommate or for making your reservation. We supply the names, you make the choice. We encourage you to make hotel reservations even if you have requested a roommate. Until your plans are final, it is in your best interest to secure a room.

Book Your Hotel Room by June 15th to Secure Your Room and $129 Rate! Call 1-800-767-7777

Volunteers Always Needed
ATRI is always looking for fired-up volunteers, ready to work with us on-site at the Symposium. You’ll receive a discounted registration fee as our thanks! If interested, please send an e-mail to mgunn@atri.org or call toll free, 866-go2-atri (866-462-2874).

What to Wear
Florida in June/July... it will be hot and quite humid. Average daily temperatures will be in the 80s with a nice ocean breeze, of course! Two of the three pools we will be using are outdoors. Be sure to bring sun block and appropriate hats, etc. ATRI’s Symposium is always casual. Dress in layers as meeting rooms are air conditioned and although we make every effort to offer rooms with comfortable temperatures, it’s wise to have a sweatshirt or jacket with you at all times, especially when coming from the pool. Please take a cover-up for over swimwear and plan to wear it or other appropriate attire over swimsuits in hotel lobby, meetings rooms and general public areas.

Your Tuition is Tax Deductible
All expenses of continuing education, including registration fees, travel and lodging, taken to maintain or improve professional skills are tax deductible for US residents, subject to the limitations set forth by the Internal Revenue Service.

Course Selection Sheet Directions

• Sign up for as many courses as you wish by circling the appropriate letter (see key at right).

• PLEASE BE SURE COURSE TIMES DO NOT OVERLAP.

• The courses are described at www.atri.org. Click on June 28-July 2 - Sanibel, FL. You will see the schedule of courses listed. Click on any underlined course for a complete description. More information is also available on pages 4-7 of this brochure.

• Wednesday Sessions: No need to sign up, just show up. See page 6 for the complete schedule of practice sessions.

• Courses are filled in the order in which Registrations are received - you must include:
  • Completed Registration Form (pages 10-11)
  • Completed Course Selection Sheets (pages 13-15)
  • Full Payment

• Courses are grouped according to time periods for each day. Many course times overlap. Please make your 1st and 2nd choices with that in mind.

• Begin by filling in your 1st choices for each day, then your second choices. We hope to be able to fill your 1st choices, but you should also make 2nd choices. If you do not make a 2nd choice and your 1st choice is full, you will not be registered for any course during that time frame. (Note: 2nd choice selection not available online).

• If there is a course that you really want, your first choice might be pool space for that course and your second choice might be deck space for that same course, giving you the best chance of getting into the course.

• SEE SAMPLE COURSE SELECTION SHEET BELOW.
  Please read the times of the courses carefully.
  You will not circle a choice in every time block because course times overlap.
  (E.g.) If you choose a course that runs for a four-hour time block as a first choice, do not choose courses in shorter time frames as first choices that would overlap the first course selected. If you do not think you will be attending during certain time frames, please indicate NA next to that time frame so we understand you would prefer to pass it up.
