Continuing Education Credits - EARN WHILE YOU LEARN!

Numerous therapy and aquatics-related organizations accept ATRI courses and award credit as appropriate. Specific information will be available at the conferences. All attendees will receive a Continuing Education Credit/Unit Record Sheet as proof of attendance. You may use the proof of attendance and the course descriptions and biographies from the ATRI website (atri.org) to obtain credit. If you need additional supporting documentation, please email Angie Fischer at afischer@atri.org.

The following organizations routinely approve ATRI educational events for continuing education hours:

- American Kinesiotherapy Association (AKTA)
- American Therapeutic Recreation Association (ATRA)
- Aquatic Exercise Association, Inc. (AEA)
- Florida Board of Massage Therapy
- Florida Board of Occupational Therapy
- Florida Physical Therapy Association (for courses in Florida)
- Physical Therapy Board of California
- Illinois Department of Financial and Professional Regulation
- Texas Board of Physical Therapy Examiners (for courses in Texas)

If you are in need of PT or OT CEU approval, please check with your state PT or OT organization to determine their requirements. Every state is different and ATRI does not automatically obtain PT or OT continuing education pre-approval for all states because the cost is prohibitive.

Follow these steps if you are in need of PT or OT CEU approval:

1. Check with your state PT or OT organization well in ADVANCE of the conference to determine their requirements for your continuing education approval. (ATRI courses are regularly approved by several state organizations – please see www.atri.org/credentials).
2. If your state allows you to submit courses for approval on your own, ATRI will supply any information you may need such as course descriptions, objectives, speaker bios, etc. ATRI courses have always been accepted when submitted by individuals for state approval.
3. If your state requires that ATRI submit courses for approval, please contact us well in advance of the conference so we can submit the required application in the time frame determined by your state. Most state organizations require fees to be paid with course submissions. ATRI will share these costs with you. (Please note: Some states charge CEU sponsors such as ATRI excessive amounts for CEU approval. Once we know your state's requirements, we can determine whether or not it is feasible to move forward with the application process.)
4. Please email Angie Fischer with any questions you may have – afischer@atri.org.

Cancellations

All registration cancellations must be sent in **writing** via email, mail or fax to ATRI. Your registration fee may be transferred to another upcoming ATRI event or you may transfer your registration to another person. **All transfers are one time only and will incur a \$50 transfer fee to be paid by check or credit card.** If you cancel completely prior to the event, you must do so 30 days in advance. Your registration fee, minus a **\$75** processing fee, will then be refunded within 30 days after the event. **Refunds will not be given to no-shows or to anyone who fails to meet the 30-day deadline.**
