

Views From the E-List -- Ear Bands*

Query:

Where does one purchase the headbands for small children that will assist in securing ear plugs. I remember these from awhile back as being helpful...or very small swim caps?

Responses:

I use the Aqua Earband from Aqua Gear. Here is the link <<http://www.aqua-gear.com/Ear-Care-c98.html>>. They come in both adult and child sizes.

Also Ear Bandit.

Also, Headcover <<http://www.headcovers.com/11316/aqua-earbands-infant-size/>> carries the aqua earbands. They have good prices and used to offer a wholesale price.
