“This was perfect for my needs as a PT brand new to aquatics wanting to get an overview and a sampling of different techniques and applications. I enjoyed the lab and lecture and know I can immediately use what I learned to benefit my patients.” – Heather Sarratt, PT

Symposium Keynote Speaker

Many of us feel that our stress levels are so high, they’re unhealthy. We’re living in stressful times with health issues, job problems, financial issues or relationship problems. We need a relaxation response so our body can move toward a state of physiological relaxation, where blood pressure, heart rate, digestive functioning, and hormonal levels return to normal levels. Maybe we can help... join us.

An internationally recognized leader in aquatic therapy, Ruth Sova, MS, ATRIC, is dedicated to the growth and betterment of the industry through her tireless research and development efforts. She has founded six successful businesses and holds numerous awards and honors in the industry. Ruth educates and energizes audiences with her presentations on personal growth, entrepreneurship, aquatic therapy and fitness, and managing a business.

Ruth founded the Aquatic Therapy and Rehab Institute, Inc. (ATRI) a non-profit educational organization dedicated to the professional development of healthcare professionals involved with aquatic therapy. She is founder and past president of the Aquatic Exercise Association (AEA).

**ATRI Aquatic Therapeutic Exercise Certification Exam**

Friday, June 4 • 1:30 pm (Registration 1:15 pm)  
(You have three hours to complete the exam.)

The ATRI Aquatic Therapeutic Exercise Certification Exam is for competent, knowledgeable professionals in aquatic therapy, rehab and therapeutic exercise. The exam will test your ability to meet the Aquatic Therapy and Rehabilitation Industry Standards to practice. The Standards are available on the ATRI website and can be downloaded free of charge. The certification will allow you to use the term “ATRI Certified” or the initials “ATRIC” after your name. The certification will not make you a therapist if you aren’t already one. Please go to atri.org for more information, click on Certification Information.

You must fulfill the prerequisite of 15 hours of education in Aquatic Therapy and Rehab in order to take the exam (either in-person or online). The Intro. to Aquatic Therapy and Rehab course (#1200 offered on Tuesday from 7:30 am-4:15 pm) is an excellent preparatory course for the exam. The ATRI Certification QuickPrep course (#1809 offered on Friday from 7:00-8:00 am) is also very helpful.
